. . . Our Theme

"Be sober, be vigilant; because your adversary the devil, as a roaring lion, walketh about, seeking whom he may devour."

I Peter 5:8

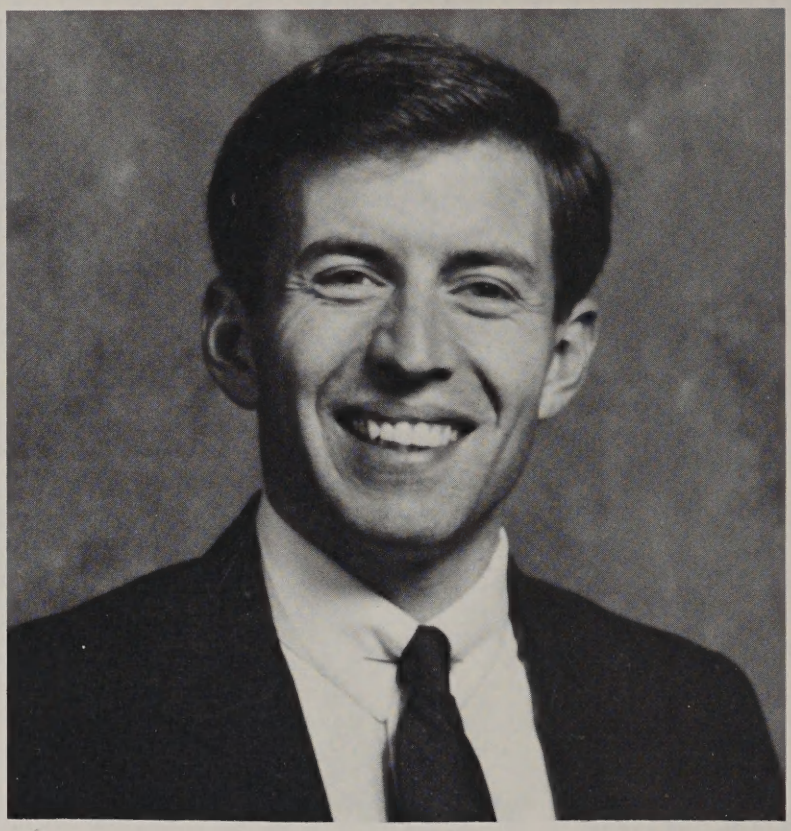
As Christians, we must be alert and watchful for temptation from the devil. But the Lord is always with us and will give us the strength to stand alone as His children.

As the Class of 1987 graduates, we leave behind our '87 TRUMPET with its theme "Vigilance." We appreciate the efforts of the faculty and staff of TBCS in our behalf. We hope this yearbook will help you to look back and remember their hard work and dedication.

Give heed to Hebrews 13:17: "Obey them that have the rule over you, and submit yourselves: for they watch for your souls . . . "

ADMINISTRATION

. . . The Dedication



We are privileged to dedicate this year's TRUMPET to a man who has shown great vigilance throughout his life. He takes time to talk with students individually when the need for help arises. In his desire to begin new classes, he has unselfishly given of his time and energy. His efforts, which are greatly appreciated, have helped people to grow closer to him during his years of service here.

One of the greatest assets to his work, character, and personality is his loving wife. Her friendliness, concern, and dedication support him in the huge task he has undertaken. He is a shining example of a true Christian to students, parents, and co-laborers.

We, the Senior Class of 1987, are pleased to dedicate our edition of the TRUMPET to Mr. Blair Berkley.

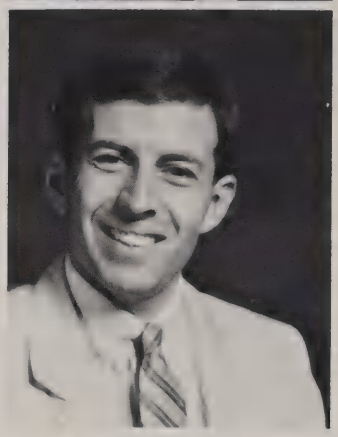
ACTIVITIES

CHAPEL TIME



Rev. Randy Shook
Mr. Blair Berkley

The family unit is the most important structure in any society. Families that love the Lord and are serving Him always evidence warmth, love, and kindness. Home — a real home — is where one feels wanted, needed, and appreciated while receiving the encouragement, training, and discipline to be what God desires.

Chapel time on Monday, Wednesday, and Friday is when Tabernacle Baptist High sits down together as a family. It is my privilege to preach to the "family". Nothing is as challenging as the truths of Scripture. Paul admonishes Timothy, "Let no man despise thy youth; but be thou an example of the believers, in word, in conversation, in charity, in spirit, in faith, in purity."

The goal of every Christian should be to honor and glorify the Lord. It takes a lot of faith and encouragement to accomplish that. Good homes are filled with encouragement, and I pray and desire that "family time" at school will always be a time of **preaching** *and* **encouragement.**

"Preach the Word; be instant in season, out of season; reprove, rebuke, exhort with all longsuffering and doctrine." II Timothy 4:2.

We enjoyed a special chapel service just before Christmas. Mrs. Ridley, Miss Touchton, and Mrs. Kennedy provided special music; and Rev. Berry delivered a unique message.

This year was a memorable one for our High School Band. There were the usual annual performances: American Heritage Day, the Christmas Program (ending with the spine-tingling "Christmas Festival" by Leroy Anderson), the Spring Arts and Science Festival, and High School Graduation. In addition, the band gave its second annual Spring Concert, featuring a wide variety of selections. Never-to-be-forgotten was the unbelievable "Concerto Gross," starring our principal, Mr. Berkley, and two "extinguished" senior soloists.

This year's biggest event, however, was our first annual Band Tour with performances in four states in five days. But there was time for relaxation — a day at Six Flags over Georgia. The trip was a great opportunity for ministry, fellowship, and for meeting new people.

1986-87 also marked the development of the "Band News" into a full-blown literary travesty — delighting, infuriating, tickling, inspiring, and educating readers from Greenville, S.C., to Hammond, Indiana, and from the Bus Garage to the Band Annex.

Mr. Bloodworth feels that this was easily the best band T. C. S. has ever had and wishes to commend each member for his hard work!

Farewell to our four seniors: Randy Setzer (5 years), Scott Phelps (6 years), Steven Teague (6 years), and Gary Eaker (8 years!). The band will surely miss them.

***mu-sic** 1 a: the science or art of ordering tones or sounds in succession, in combination, and in temporal relationships to produce a composition having unity and continuity b: vocal, instrumental, or mechanical sounds having rhythm, melody, or harmony*

Music is much more than just a definition from Webster's dictionary. God gave us music as a special gift from Him as a means of communicating spiritual truths and ideas as well as simply enjoying what He has provided. When students learn the value of good music and how to enjoy the best of musical literature, they are better able to communicate God's truths to others and are themselves enriched spiritually, emotionally, and mentally.

Music is without a doubt one of the great motivators of today's youth. We at Tabernacle Christian School seek to build in each student an appreciation for Godly Christian music as well as wholesome secular music. Participation in vocal music groups is one of the ways students become familiar with what good music is and how they can produce it and be a blessing and encouragement to fellow students and their own churches and communities.

Success does not always mean winning the competitions or being "the best," but it does mean doing your best and being a blessing and encouragement to others and showing the love of Christ as we use our talents to glorify God Who gave us this wonderful gift.

Mr. Turner

Creating a yearbook requires many long hours of behind-the-scene preparations: selecting theme and cover design; composing, typing, and proofing copy and captions; taking, selecting, and labeling pictures; drawing layouts; and selling advertisements. Our yearbook is a record of the year's activities and also an album of memories, especially for the Seniors, who agree that the result is well worth the time and hard work involved. They trust that you, too, will enjoy the fruits of their labor and treasure your TRUMPET in years to come.

Our editors plan layouts and copy.

The 1986-87 basketball season was outstanding in many ways. Not only did God bless with another great season and an overall record of 17-1, but He gave us the best trophy of all at the Blue Ridge Conference Tournament — the Sportsmanship Award.

The strong relationship that you guys have developed over the years, the joys and sorrows that you have shared, and the feelings of "family" unity that exist among you have certainly culminated in a team I am proud to be a part of.

To Steven and Gary — who have been a special blessing to the coaches and the team — as you depart, may you remain a vital part of God's army as you have been a vital part of this team. Best wishes as you graduate and go separate ways. May God's blessings be with you, and may you enjoy a life of happiness and success.

To the remaining team members, God bless you guys and may He allow us to give it our best next year.

Ladies, let me thank you for the tremendous season we had this year. I am grateful for all your hard work and your sweet attitudes. You are all fine Christian examples. Each of you gave a hundred percent every game and were rewarded for it.

Our successes in the Wilson Tournament (Third Place) and the Conference Tournament (Second Place) are very special to me. I can't begin to describe how it felt to defeat last year's champion, Tabernacle-Morganton, and to see you play so well.

Congratulations to two of my captains, Dawn and April, on your selections to the All-Conference and All-Tournament teams. You both played a great tournament, and the awards were well-deserved.

To the team as a whole, continue to develop your skills because we have ONE MORE GOAL to reach next year . . . "With your determination and hard work, we will reach it."

Coach Page and I love you all and are looking forward to a tremendous season next year. God bless you all.

Coach Page and I appreciate all your hard work this season. It is difficult for a team to lose four starters from the previous year and still remain unified and strong. But each of you persisted in developing your skills and growing into a team.

In every game, beginning with our win over Tabernacle-Morganton to our impressive victory over Faith-Hendersonville, you gave a hundred percent.

To my four freshmen — Torrey, Eric, Tim, and Chris — we appreciate your leadership on the court and wish you well as you move up to Varsity.

As for the rest of you, we will see you back for a tremendous season next year.

Our team verse describes a fine group of young men, who have displayed a Christ-like testimony at all times. As your coach, I am very proud to be associated with you and appreciate your hard work, courage, and dedication.

Conference champions, tournament champions, and a record season of 14 wins, no losses, and one tie show how much the Lord blessed our year. You outscored all opponents 70 goals to 10. Only teamwork and God's help could have produced such a season.

Captains: Gary, Steven, and Chris, I appreciate more than words can express your dedication and courage in leading our team. We will miss you next year. May your futures be as prosperous and successful as you have helped our team to be.

To my other boys, we have a reputation and a renewed goal to maintain next year.

The sixth grade boys share the responsibility of raising and lowering the flag each morning and afternoon throughout the school year.

Brent Berkley, Jonathan Cook, and Brian Smith serve as our school safety patrol. They help direct parents who are not familiar with the grounds and observe to see that traffic patterns are followed. They also assist students in crossing traffic lanes by stopping the cars.

Thank you, boys. We appreciate your good work.

Again this year our kindergarten and first grade students visited shut-ins in their homes and in area nursing homes at Thanksgiving and Christmas. Sharing a fruit basket, poems, songs, and Bible verses brings joy and satisfaction to the giver and the receiver.

The children and their teachers were urged to "come again." So in February, the kindergarten class returned to share hugs and Valentines which they and the fourth grade students made.

Displaying good sportsmanship and the right attitude while participating in competitive sports are traits that do not blossom naturally. They must be taught. This is the most important aspect of the work done by the coaches and officials during elementary basketball games. In addition, the students learn the rules of the game and gain valuable experience as they practice and sharpen their athletic skills.

We say "Thank You!" to the officials and coaches who guide and direct the program and to the parents who take the time to come and support their children.

Parents, students, and guests enjoy class presentations on American Heritage Day,.

There are many exciting games to enjoy including balloon-popping and bean-bag relays.

American Heritage Day is observed at Tabernacle every year on the Wednesday before Thanksgiving. Students are encouraged to dress in costumes that depict a person or a period in American history. Costumes are judged and awards are presented in several age groups.

Parents and other guests are invited to an assembly in the school gymnasium. The high school band and vocal groups perform, and each elementary class gives a brief presentation with a Thanksgiving theme.

After the assembly, students are divided into two teams — Pilgrims and Indians — and join enthusiastically in a number of games.

Once a month, from October through April, a kindergarten or elementary class has the opportunity to invite their parents to eat lunch with them. The students help to make decorations and everyone enjoys the meal and fellowship.

Fourth-grade parents enjoy lunch with their children.

SALVATION may be expressed as absolute dependence in what Jesus has done, and ASSURANCE is absolute dependence in what Jesus has said. The will of God for mankind is salvation, assurance and obedience. Jesus said in John 17:13 that those who know and obey the Bible will live a life of happiness.
